Final Half Term!

Welcome back to the final half term of the year, how time flies!

I cannot believe I've only been here for half a term as I've got to know the children, staff and many of the parents so well.

We have a very busy few weeks ahead of us with lots going on in school. There are class assemblies, trips, sports day and lots more happening. Remember, you can find all of these dates on the home page of the school website.

All classes will soon be carrying out transition activities so they have a smooth move up to their next year group. I will keep you up to date with further details about this over the next few weeks

Thank you!

Mr Khan ☺

Non-Uniform Fundraiser

Friday 8th June

This Friday we will be having our non-uniform day supporting the Community Sports Foundation (CSF) to raise money for the new development in Horsford called 'The Nest'.

Hats off to Connor in Busy Bees class who has arranged this! Remember that the children need to wear sporty clothing/PE clothes to carry out sports activities for part of the day. We are asking for a £1 donation towards this. Connor is also organising a football boot sale at the end of the non-uniform day, to support the charity Boots2Africa. Look at this link for more information about The Nest:

<https://www.communitysportsfoundation.org.uk/build-the-nest/about-the-nest/>

Great News!

We have some wonderful news to share with you; Mrs Miller is expecting a baby! Mrs Miller will still be with us for a few weeks during the first half term of September 2018 (next academic year) before she starts her maternity leave.

During these few weeks she will be working with small groups but will not have a class. We are so happy for you Mrs Miller! ☺

Moving On

Sadly we are saying goodbye to Mrs Scrivens who has decided she will not return after her maternity leave as she will be spending more time with her family. From everyone at Buxton, we wish you good luck in your future ventures ☺

Breakfast Club

For any children who attend breakfast club in the mornings, please can they be dropped off to the office and take their coats and bags through to the hall or classroom themselves. If parents or carers would like to speak to an adult about anything, please speak to the adults running breakfast club or any staff in the office area. Thank you for your support in this.
