## **End of Term Fast Approaching!**

Unbelievably it is the last full week of term before the summer holidays!

There have been lots of great things going on in school over the last few months and we still have a few big events planned to take us right to the end term. Please remember that there are no after school clubs this week, pick up time is 3pm.

I truly am sad to be saying goodbye to our Year 6's so quickly, as I have only had this term to get to know them. However they are ready for Year 7 and I wish them all the very best!

Even though I have only been at the school for a term, I feel as if I have got to know everyone incredibly well; I would like to thank the children, staff, parents and governors for your warm welcome and support over the term.

As this is the final newsletter before the summer break, I wish you all a fantastic and restful summer and look forward to starting back in September.

Mr Khan 😊
