PUBLIC CONSULTATION

Changing to Foundation School Status and Acquiring a Charitable Trust

Dear Colleague,

I am writing to inform you that, as part of the public consultation running from Jan 10th to Feb 7th 2011, the Governing Body of Buxton Primary School, Norfolk is proposing that the school becomes a Foundation School and acquires a Shared Trust – The Aylsham Cluster Trust - with effect from May 2011.

I am confirming that, if the proposals come into effect, the employer of your members would cease to be Norfolk as the Local Authority and would become the Governing Body of the school from that date.

The Governing Body will ensure that the terms and conditions of employment will be no less favourable than those currently enjoyed. The Governing Body has no further proposals at present with regards to this transfer. If you would like to see further details of our proposals, you can access them through our school website - www.buxtonschool.co.uk/

If you have any comments to make, please contact me before the end of the consultation period. Should the Governing Body decide to progress these proposals to the next stage ie publishing Formal Proposals, there will be a second opportunity for representations to be made.

Yours sincerely

Mike Jackson

Chair of Governors
Buxton Primary School
