

Mild Days!

We have had a great start to the term with lots of fantastic learning happening all around the school. As always this term is flying by with only two full weeks left after this one, until the February half term break. There is lots of excitement in Year 3 & 4 for the upcoming Horstead residential! There has been lots of information shared about the residential but should you have any questions / queries, please do get in touch.

The weather has been surprisingly mild this month and we are still waiting for a big sub-zero chill! Nonetheless it is still necessary for the children to bring in their winter coats, hats, scarves and gloves please.

It always makes me incredibly happy when children come to my office to share their achievements and work they have put extra effort into (inside and outside of school) as they go in my 'Brilliant Book'. With just over two weeks left of the half term there is plenty more time for the children to share their special achievements with me.

There are some important dates for the half term in this newsletter. Our school website calendar is also regularly updated with important dates and events so please keep an eye out there too.

Mr Khan ☺

Horstead

We are fast approaching our Horstead Residential and there is still quite a lot of monies outstanding. We do need these paid up before the trip starts.

If you are having difficulty with this please come in to the school office and speak to Mr Khan or Mrs Hall.

Football Team

Our fabulous football team have been entered into a tournament on 7th February at The Nest. They will be competing against other schools from the area and the winners of the tournament will go on to represent the Canaries at the national finals, to be held at a Premier League club stadium in May. We wish them all the very best of luck, we're sure they will try their very best and have a brilliant time.

Menu Change

On Pancake Day, Tuesday 25th February, there will be a change of dessert. We will be having Pancakes with a choice of chocolate sauce, lemon and sugar or golden syrup – yummy!!
