Achieving Excellence Together

COVID-19 Home School Agreement 2020/21

What we at school will do to keep everyone safe:

- Regular handwashing and use of hand sanitiser
- Increased cleaning regimes
- Ensure children are following 'Catch it, Kill it, Bin it' advice
- Staff maintaining distance from pupils and other staff as much as possible
- Increased use of outside spaces for lessons
- Children seated alongside each other, not face-to-face
- No large gatherings (no assemblies)
- No singing, chanting or shouting
- Items from home are minimised / quarantined for 48 hours (72 hours for plastics)
- Only essential visitors are allowed into the school building. Parents will not be admitted unless in an emergency and will not be able to visit the school office until further notice.

We will provide an environment which is safe and has been risk assessed in response to the coronavirus (COVID-19) outbreak:

- We will ask children about their health and any symptoms on arrival at school and arrange for pupils to go home where necessary.
- If a pupil feels ill, we will keep them safe and move them away from others in a designated room while they wait to be collected. We will not leave a pupil who is ill where they are not safe to be left alone. Staff will wear personal protective equipment if a pupil develops symptoms and we need to be in close contact with them.
- Our staff will go home immediately if they become ill at work with symptoms, no matter how mild.
- We have specific cleaning and disinfection arrangements planned in the event that a person develops symptoms at our school.
- We will advise you if someone develops symptoms in the school or has tested positive and let you know what is happening and about anything that you need to do.

Achieving Excellence Together

What we need you to do: To help my child at school, I agree that:

- If my child, or anyone in my household shows symptoms of COVID-19 (high temperature, new persistent cough, loss of smell or loss of taste), I will not send them to school. We will self-isolate for 14 days as a family. I will get them tested and I will let the school know the result as soon as possible via telephone or email.
- If my child shows symptoms of COVID-19 at school, I will collect my child from the school immediately. I will get them tested and I will let the school know as soon as possible of the outcome via telephone.
- When dropping off and picking up, I will strictly stick to the school timings for my child. Only one adult will drop off and pick up my child.
- My child will not bring any items into school with them or take items home from school unless essential, i.e.: a break-time healthy snack, water bottle, reading book, homework diary, lunch (if home pack) and for girls in KS2, necessary sanitary protection.
- I will not be allowed into the school without a pre-arranged appointment – make appointments via telephone or email.
- I will read letters / messages / emails that are sent and action requests on time.
- I will inform the school of any changes to parents/carer emergency contact details.
- I will follow social distancing rules at all times whilst on school grounds and will not bring any other adults with me.
- I will make sure that my childcare providers or out-of-school activities my child accesses have carefully considered their own protective measures and I will only use those providers that can demonstrate this.
- I understand and agree that if my child is deemed unsafe, he/she will be sent home and cannot return to school until they can be safe.
- As far as is practical for my child’s abilities, I will ensure I have taught my child how to wash their hands effectively for 20 seconds, how to ‘catch it, bin it, kill it’ and how to maintain social distancing.
- I will ensure my child washes their hands before coming to school and on arriving home.
