## New Reception Intake

### 2022

If you have a child who will be 4 years old BEFORE 1<sup>st</sup> September 2022 - they are due to start school September 2022

Unfortunately due to current local authority guidance we are unable to hold our annual open sessions for prospective parents

We have however created a specific section on our school website where you can find lots of information, access important documents, videos from the class teachers and a virtual tour of our Sea Turtles classroom and outdoor area.

This can be found at: <https://www.buxtonschool.co.uk/new-reception/>

We plan to hold open sessions in the Summer term 2022 for the parents of children who gain a place at our school. We will have transition settling in sessions for the children, as well as working closely with the local pre-schools to ensure your child's transition to school is as smooth as possible

**If you have any questions or require any more information to support your child's application, please free to contact our school office on 01603 279357**
